Consul de la Vie Z.

This is the sort of breeding you dream about – the best Germany and Holland have to offer. According to Arnaud Evain: ‘He combines the power of Athens Olympic bronze medalist Clinton and the legendary Ramiro with the agility and reactions of Heartbreaker. His breeding line is one of the most celebrated in all of Holland.’

Consul de La Vie Z, offer the discerning breeder the opportunity to tap into the pedigree potential of this family, which has been shown to reproduce the willingness to perform in the ring combined with the technique to match.
