## Kannan

France's number one stallion. By the legendary Voltaire out of a Nimmerdor / Le Mexico mare! He was a Grand Prix winner and his progeny are already out and winning at a Grand Prix level. According to GFE principal, Arnaud Evain: 'A son of the famous Voltaire, Kannan has become available after a fabulous competitive career, just at the time that his progeny are showing exceptional ability on the international stage. Power, carefulness and a tough competitive spirit characterize the progeny of Kannan.'

## Kannan Progeny

Kannan offspring are performing well in Europe. All are showing a good technique over a fence as well as a trainable attitude. The video links below illustrate how Kannan passes on his own technique over a fence to his offspring. They all have good scope over a fence and the ability to deal with more technical courses. Not only are Kannan offspring performing in the showjumping arena, they are also starting to show extreme talent for eventing. For example, Pippa Funnell (GB) rode Billy Shannon a son of Kannan to win the 5yr old young event horse class at Burghley! This horse has continued his career with Pippa Funnell (GB).
